Weatherproof 70 Series

Vinyl-Covered Brass

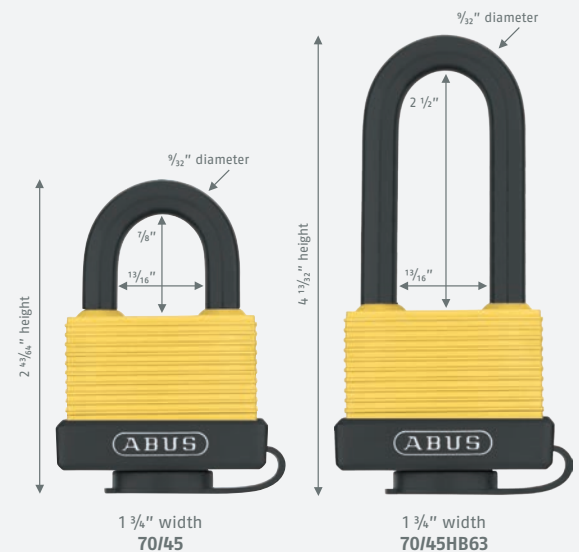

ABUS is the first manufacturer to offer a weatherproof padlock with a solid brass body with the option of either a stainless steel or hardened steel shackle. The weatherproof cover protects the cylinder from debris and moisture. The 70 Series padlock will hold up in even the most extreme weather conditions.

Key Features

- Body made from solid brass
- Sealed lock body with cover seal and drainage channels to protect the cylinder against water and dirt
- Inner components made from non-corrosive materials
- Shock-absorbing vinyl casing
- Hardened steel shackle, also available in stainless steel (IB)
- Precision pin tumbler cylinder
