

PBS45 SERIES PUSH PLATES

4½" SQUARE
STAINLESS STEEL
EASY INSTALLATION

Innovation
Quality
Service

WWW.BEASENSORS.COM

This square push plate is the perfect solution for fast and easy installation. Screws on the front plate allow for quick removal while still remaining functional, aesthetically appealing and weather resistant.

- Faceplate screws allow for easy installation
- Highly visible, unobtrusive and aesthetically pleasing design
- Beveled edges provide resistance to tampering and vandalism
- Graphics are etched onto the faceplate for maximum durability
- Stainless steel components will not deteriorate or rust
- Available in multiple styles to meet specifications or customer requests
