DataComm Electronics' Expandable Media Box with Duplex Receptacle/Duplex Surge Suppressor is designed to streamline power and cable management behind your HDTV. The expandable portion of the Media Box allows for maximum storage hidden behind your TV, while still allowing your TV mount to be flush to the wall.

FEATURES (45-0051-WH and 45-0061-WH)

- Low profile design fits behind the industry's thinnest mounts and TV's
- Conceal multiple AV cables and accessories behind your HDTV or other display device
- Wall box storage capacity increases by 75% when the expandable portion is extended into the wall
- There are two openings inside of the Expandable Media Box, one on the top and one on the bottom. Three (3) interchangeable plates are included to cover these openings, allowing for multiple configuration options. The three (3) plates include:
 - ▶ Flexible Opening Plate
 - ▶ 6-Port Keystone Plate
 - ▶ Blank Plate
- 15 Amp/125 Volt Duplex Receptacle*
 - ▶ 45-0051-WH receptacle is tamper resistant
- Outlet box included
- Metal mounting wings are attached to the media plate and fasten tightly against the back of the drywall
- Quick and easy to install

ADDITIONAL SURGE SUPPRESSOR FEATURES (45-0061-WH only)

15 Amp/125 Volt Duplex Surge Receptacle*:

- Maximum surge current - 15,000 amps
- Clamping response time - 1 nanosecond
- Hot/Neutral, Hot/Ground, Neutral/Ground
- Total maximum surge dissipation - 480 joules
