

# 5828V

## WIRELESS FIXED ENGLISH VOICE KEYPAD

A perfect add-on to any LYNX or residential VISTA system, the 5828V Wireless Keypad saves dealers valuable time by offering the quickest, easiest installation of a secondary keypad. The 5828V is easy and inexpensive to install, with no wires to run. It mounts anywhere—on walls, tabletops

and counters—and provides the flexibility and convenience of operating the system from anywhere in the home. The 5828V also speaks system status and zone information in plain English, and homeowners can use the built-in family message center to record and play back voice messages.

## FEATURES

- No wires to run—lower installation time and labor costs
- Speaks system status and zone information in plain English
- Family message center
- Compatible with LYNX and residential VISTA systems (VISTA-10P, 15P, 20P and 21iP)
