PLANUX SINGLE-FAMILY COLOUR KIT WITH IKALL

Single family colour video entry phone system kit. It consists of the new IKALL entrance panel, with clean and attractive lines and the Planux monitor with touch-sensitive technology. The privacy and intercom functions are standard features of the Planuxkit. In order to use the intercom function, the single-family kit must be expanded with one or more additional door-entry phone/monitors. The kit can be used as a system base, to create systems to which a maximum of 10 residences are connected. The kits can be expanded to create solutions with 2 or more external units and 3 monitors per residential unit, this can be expanded to a maximum of 16 units through the addition of art. 1252
