

LISTEN IN...WHEN ALARMS OCCUR

GET INSTANT INTRUSION VERIFICATION

HELP ELIMINATE FALSE ALARMS WITH **LISTEN-IN** and **2-WAY SOUND** FOR INSTANT IDENTIFICATION

NEW

"Attention... Who is there? Identify yourself!"

50 Ft.
Audio Cable
Included

Identifying the intrusion is critical to determine the proper response. The AVD-5000 Auto Voice Dialer allows for "Listen-In" as well as "2-way Communication" modes. The high sensitivity microphone and speaker unit will allow the listener to hear sounds within the room or area and have a speaker phone conversation.

LISTEN FOR FOOTSTEPS, SOUNDS AND VOICES UP TO 70 FEET FROM THE DIALER

CHECK IN ON ELDERLY FAMILY MEMBERS • MAKE SURE THE KIDS ARE HOME SAFE • CELLULAR MODEL ALSO AVAILABLE
