

Secure Your Buildings!

You Manage The Leases & The Building; Let Trilogy Manage The Tenant's & Crew's Keyfree Access For You!

Easily get keyfree convenience & enhance access security:

Our locks provide keyless entry • For employee turnover, you can easily change security user codes (3-6 digits) and/or HID prox cards to new employees, managers, supervisors, contractors, etc. • Restrict employee access during non-work hours • Allow vendors and/or delivery personnel access during ONLY specified times • Flow control - automatic unlocking and relocking during business hours or during the times you schedule • All event audit trails are date/time stamped • All Narrow Stile retrofit most Adams Rite mechanical latch locks with a 31/32", 1 1/8" or 1 1/2" backset

We're your access control specialists, call us today:

"Literally with one finger you can change/add tenants or permit construction crews temporary access, one door at a time, including automatic locking/unlocking by time schedule."

Trilogys Advanced Access Solutions
