

# 2GIG-CP-DESK

GO!CONTROL DESKTOP KIT

# 2GIG-TS1-DESK

TS1 DESKTOP KIT

2GIG Technologies is pleased to announce the new Go!Control and TS1 Desktop Kits. These inexpensive and easy-to-install Desktop Kits offer new versatility to customers. Each Desktop Kit can be utilized at two different viewing angles allowing customers to place their security panels and keypads on a desk, kitchen counter, night stand, or any other flat surface.

## FEATURES

- Multifunctional design that allows a Go!Control security panel or TS1 keypad to sit at two different viewing angles
- Sleek form factor
- Bumper pads to protect furniture and prevent sliding

## PRICING

Please contact your sales representative or distributor for pricing details.

## AVAILABILITY & ORDERING

2GIG will start accepting orders and shipping both versions of the Desktop Kit on March 12, 2012. Authorized 2GIG distributors must order Desktop Kits in 10 packs using the following SKUs:

**2GIG-CP-DESK10** Go!Control Desktop Kit 10 Pack      UPC: 817082010243  
**2GIG-TS1-DESK10** TS1 Desktop Kit 10 Pack              UPC: 817082010250

For resale by distributors, each Desktop Kit is individually packaged and labeled using the following SKUs:

**2GIG-CP-DESK**      Go!Control Desktop Kit      UPC: 817082010205  
**2GIG-TS1-DESK**      TS1 Desktop Kit                    UPC: 817082010212

## SYSTEM REQUIREMENTS

The Go!Control Desktop Kit will work with any Go!Control security panel using the included adapter plate. The TS1 Desktop Kit will work with any TS1 keypad.

## WARRANTY

Desktop Kits ship with a one (1) year limited warranty. Please refer to [www.2GIG.com](http://www.2GIG.com) for specific warranty details.
