

Description

The **ECO TOWER™** emergency phone tower, model **ETP-MTE**, combines economy and ecology into one stylish product. Durable yet lightweight, this aluminum tower stands nine feet tall. An always-lit LED Blue Light mounted atop the tower provides high visibility and gives passers-by a sense of security. Patrons can call emergency personnel with a simple push of a button. At the same time, the LED Blue Light begins to flash. The Emergency Phone faceplate is illuminated at all times for clear visibility during the night.

Features

- Light weight aluminum construction for reduced ecological footprint and one-person installation
- Durable, multilayer powder coating achieves near-zero waste and VOC (volatile organic compound) emissions
- Modular construction allows for easy upgrades
- Optional internal mounting plates and shelves provide clean mounting solutions for accessories
- Emergency Phone is illuminated at all times by an LED Panel Light
- Vandal-resistant and designed to resist extreme weather conditions
- A variety of signage, graphics and color choices are available
- Easily mount any Talk-A-Phone ETP-400 Series or VOIP-500 Series Emergency/Information Phone into the unit (sold separately)
- ADA-compliant
