

“Warning Alarm System” Decals & Tape

ELK-998 (pack of 100)

ELK-998-05 (pack of 5)

ELK-998 Alarm Decals provide a unique visual deterrent against robberies and break-ins. They feature three bright distinctive colors and are manufactured using the finest quality UV-resistant vinyl material and fade-resistant inks. The self-adhesive backing is weather resistant and can be mounted to virtually any smooth wood, metal, or glass surface. To further enhance the life expectancy of our decals, they are laminated with an additional clear vinyl protective material after printing. For maximum effectiveness, apply one decal to every door and/or window opening.

Features

- Self Adhesive Peel And Stick Backing.
- Fade-Resistant Ink.
- Secondary Protective Clear Vinyl Laminate.
- UV-Resistant Vinyl Material.
- Three Colors: Red, Blue, White.
- Size: 3.2" x 6.4" Triangle Shape.
- 100 Decals packaged in a reusable poly storage box.

ELK-999

The ELK-999 contains 130 pieces of double faced 1/4" thick closed cell foam tape with an aggressive pressure sensitive permanent adhesive on both sides. This tape can be used in place of mechanical fasteners to mount relays, siren drivers, and many other devices to various surfaces. It is flexible and conforms to irregular surfaces.

Features

- Permanent Rubber Adhesive.
- Individual Piece Size: 1/2" x 1-1/2" x 1/4" Thick.
- Package Includes 130 Individual Pieces.
- Packaged in Reusable Poly Storage Box.

ELK-PB1

The ELK-PB1 is a general purpose, snap together box with 6 slide tabs to accommodate wire runs. It hides wire splices and holds circuit boards for cleaner installations. Dimensions: 6.5" x 4.3" x 2".
