

# ISN-CMICRO Ultra Miniature Contacts

www.boschsecurity.com

**BOSCH**

Invented for life

- ▶ Closed loop
- ▶ Surface-mounts or installs in the track of the window
- ▶ Ideal for tight-fit windows where a large gap is unnecessary
- ▶ Perfect for windows where warranty terms prohibit drilling
- ▶ Adhesive strip

The contacts are available in brown or white. Both models have a true miniature design, an adhesive strip, and include a magnet. Use on window frames in tight-fitting applications.
