

60 or 120 Watt RMS Public Address Power Mixer Amplifiers

PMM60A 60W RMS P.A. power mixer amplifier

PMM120A 120W RMS P.A. power mixer amplifier

Speco Technologies' UL listed Contractor Series amplifiers are designed for long-running, every day use. They can stand on their own to run a smaller installation, or be incorporated into a much larger job. With RMS power ranging from 30W to 120W, microphone and source-mixing ability, telephone paging interface and music-on-hold capability, there's practically no job where one of these amplifiers wouldn't be a perfect fit!
